# ABOUT BHARAT TEX 2025

**BHARAT TEX 2025** is a mega global textiles event being organized by a consortium of Textile Export Promotion Councils (EPCs) and supported by the Ministry of Textiles. Scheduled to be held from February 12-17, 2025 at the twin venues of Bharat Mandapam, New Delhi and India Expo Centre and Mart Greater Noida, BHARAT TEX 2025 is positioned as a global scale textile trade fair and knowledge platform. The Main Event scheduled to be held at Bharat Mandapam, New Delhi from February 14 to 17, 2025 will cover the entire value chain of textiles from raw materials to finished products. A Co-located Event featuring accessories, garment machinery, dyes and chemicals and handicrafts is scheduled from February 12 to 15 at the India Expo Centre and Mart Greater Noida.

BHARAT TEX will feature a global scale trade fair covering nearly 2.2 million sq ft. area and spread across two states of the art venues in Delhi. It is perhaps the only event in the world to feature the entire value chain including Apparel, Home Furnishings, Floor Coverings, Fibres, Yarns, Threads, Fabrics, Carpets, Silk, Textiles based Handicrafts, Technical Textiles, Apparel Machinery, Ethnic Wear, Dyes and Chemicals and much more. Its global scale and diverse scope shall facilitate businesses to explore sourcing opportunities and engagements across the value chain, offering them significant opportunities for trade, investment and business.

The event shall also host a knowledge platform featuring over 70 different knowledge sessions built around the key trends in the textile ecosystem today. With CEO Roundtables and discussions on Global Textile and fashion Mega Trends, resilient value chains and sustainable textiles Bharat Tex 2025 will provide an excellent platform for knowledge exchange, Government-to-Government (G2G) meetings and Business-to-Business (B2B) interactions.

Bharat Tex 2025 aims to build on the resounding success of the last edition in 2024. Built around the twin themes of resilient global value chains and textile sustainability, this year's show promises to be even more vibrant and attractive than the first edition, attracting top policymakers, global CEOs, international exhibitors and global buyers. A record number of over 5,000 Exhibitors, 6,000 international buyers from over 120 countries and over 1, 20,000 visitors are expected to participate in this year's event.
